RE: DE 06-028, Public Service Company of New Hampshire
Delivery Service Rates
Intervention

To the Parties:

On August 25, 2006, you filed on behalf of the Business & Industry Association of New Hampshire (BIA) in the above-captioned proceeding a Petition for Late Intervention. You recite BIA's interest in the proceeding and its history of participation in similar cases in the past. In addition, you indicated BIA's willingness to abide by the procedural schedule established for the docket. You report that Public Service Company of New Hampshire, National Grid, and the Office of the Consumer Advocate assent to the petition.

The Commission has determined that allowing the intervention of BIA would be in the interests of justice and would not impair the orderly and prompt conduct of the proceeding. Accordingly, the Commission has granted BIA's motion for intervention.

Very truly yours,

Debra A. Howland
Executive Director and Secretary
